BE IT RESOLVED BY THE COMMISSION OF THE CITY OF PHOENIX:

SECTION 1.

That the public interest and convenience require and that it is the intention of the Commission of the City of Phoenix to order the following work to be performed, to-wit:

1. That the roadway of Fourth Street from the north line of Washington Street to the south line of Roosevelt Street (excepting the intersection of Adams Street which is now paved and excepting from the north line of Polk Street to a point one hundred and ten (110) feet south of the south line of Polk Street and excepting also that portion now occupied by the tracks of the Phoenix Street Railway Company and two (2) feet on the outside of each rail as shown on the plans hereinafter referred to) and including the intersection of all streets, (except Adams and Polk Streets) alleys, private drives and approaches thereto and including also such portions of intersecting streets, alleys and private drives as is necessary to form an easy approach to the pavement hereinafter described to be graded and paved with bituthylic with cement concrete base, bituthylic with bituminous concrete base, bituthylic with no base, "Topekia" Asphalt concrete with cement concrete base, National Cement Concrete, "Bitustone," Tarvia filled macadam, Asphalt concrete with bituminous concrete base or Doloway, as may be hereafter determined.

2. That a combined cement concrete curb and gutter be constructed along both sides of the roadway of Fourth Street, from the north line of Washington Street to the south line of Roosevelt Street excepting at the intersection of streets, alleys, private drives and approaches thereto and excepting along both sides of the roadway of Fourth Street from the south line of Polk Street to a point one hundred and ten (110) feet south of the south line of Polk Street.

That a combined cement concrete curb and gutter be constructed along the edges of the roadways at the intersection of the following streets with Fourth Street:

The south side of Van Buren Street. Both sides of Taylor, Fillmore, McKinley and Garfield Streets.

3. That a cement concrete curb be constructed at the intersection of all alleys, private drives and approaches thereto and along the edges of the roadways at the following street intersections with Fourth Street: Monroe, Pierce and the north side of Van Buren Street.

4. That a cement concrete gutter be constructed across the intersection of all alleys, private drives and across the roadways of the following intersecting streets with Fourth Street:

Both sides at Taylor, Fillmore, McKinley and Garfield Streets as shown on the plans hereinafter referred to.

5. That corrugated iron pipe of the size and location be laid as follows:

Twelve (12) inches in diameter across the roadway of Garfield Street on the west side of Fourth Street.

Across the roadway of McKinley Street on the west side of Fourth Street.

Across the roadway of Fourth Street on the north side of McKinley Street.

Across the roadway of Fillmore Street on the west side of Fourth Street.

Across the roadway of Fourth Street on the north side of Van Buren Street.

Across the roadway of Fourth Street on the north side of the alley between Washington and Adams Streets.

Across the roadways of private drives between Monroe and Van Buren Street on the west side of Fourth Street, and across the roadway of the private drive on the east side of Fourth Street between Fillmore and Pierce Streets.

Fifteen (15) inches in diameter across the roadway of Monroe Street on the west side of Fourth Street.

Across the roadway of Fourth Street on the north side of Monroe Street.

Across the roadway of Fourth Street on the north side of Taylor Street.

Across the roadway of alleys and private drive on the west side of Fourth Street between Washington and Monroe Streets.

6. That cement concrete standpipes be constructed and gates be set to control the flow of water at the following locations on Fourth Street:

Monroe Street two (2), Taylor Street two (2), Fillmore Street one (1), McKinley Street three (3).

7. That cement concrete pipe of the size to fit the aforementioned corrugated iron pipe be laid from the standpipes and corrugated iron pipe to a point six (6) feet back of property line and under cross walks as shown on the plans hereinafter referred to.

8. That a stormwater manhole be constructed on Fourth Street at Monroe, Van Buren, Pierce and McKinley Streets.

9. That gutter inlets be constructed to receive drainage water at the following locations on Fourth Street:

Van Buren Street two (2), Pierce Street two (2), McKinley Street two (2), and that said gutter inlets be connected to stormwater manholes with the size of cement concrete pipe as shown on the plans hereinafter referred to.

10. That the roadway of the intersecting streets, alleys and private drives be graded from the edge of the aforementioned pavement not to exceed ten (10) per cent until it meets the original surface.

All of the above work or improvement to be performed in accordance with that certain set of plans approved and adopted by the Commission of the City of Phoenix on the 14th day of April, 1916, and on file in the office of the City Engineer in Book Three (3) of Street Improvement Plans on Pages 187 to 201 inclusive and in further accordance with the following specifications:

Standard Specifications of the City of Phoenix Numbers 19, 22, 24 and 25.

Curb and gutter work to be done in accordance with Specification Number 21.

Paving to be laid in accordance with the following Specifications, to-wit:

In case of bituthylic with cement concrete base Specification Number 29.

In case bituthylic with bituminous concrete base Specification Number 25.

In case bituthylic with no base Specification Number 26.

In case "Topekia" Asphalt Concrete with cement concrete base Specification Number 31.

In case National Pavement Specification Number 32.

In case Concrete Pavement Specification Number 30.

In case "Bitustone" Pavement Specification Number 34.

In case Tarvia Filled Macadam Pavement Specification Number 35.

In case Asphalt Concrete with Bituminous Concrete base Specification Number 37A.

In case Doloway Specification Number 38.

All of which above specifications are on file in the office of the City Clerk of the City of Phoenix. Said plans and specifications are hereby referred to for a more particular description of said work and made a part thereof.

SECTION 2.

That the said contemplated work or improvement, in the opinion of the Commission, is of more than local or ordinary public benefit, and that said Commission hereby makes the costs and expenses of said work or improvement chargeable upon a district and hereby declares that the district in the said City of Phoenix, benefited by the said work or improvement, and to be assessed to pay the costs and expenses thereof, is described as follows:

All of Churchill and Central Additions being bounded on the north by the center line of McDowell Road, on the south by the center line of Van Buren Street, on the east by the center line of Seventh Street, and on the west by the center line of Central Avenue.

Excepting therefrom any portion of any public street or alley which may be included within the above described district and excepting also all of Blocks 53, 51, 43 and 43 and Lots 1, 2, 11 and 12, Block 44, Churchill Addition, owned by School District Number 1, Maricopa County, Arizona.

A portion of Block 20, Central Addition owned by School District Number 1, Maricopa County, Arizona, which certain premises shall be omitted on the assessment hereafter to be made to cover the cost and expenses of said work or improvement and the total costs and expenses of said work or improvement shall be assessed to pay the costs and expenses thereof. Such diagram shall show each separate lot, piece or parcel of land in said districts and the relative location of the same to the work proposed to be done.

SECTION 3.

The City Engineer is hereby directed to make a diagram of the districts described hereinabove in Section 2, of this Resolution of intention, to which Resolution of intention, it makes penalties thereof. Such diagram shall show each separate lot, piece or parcel of land in said districts and the relative location of the same to the work proposed to be done.

SECTION 4.

The said Commission finds that public convenience requires that serial bonds shall be issued to represent the costs and expenses of such work or improvement and said Commission determines that said bonds shall be issued to represent each assessment of Twenty-five (\$25.00) Dollars or more for the costs and expenses of said work or improvement. Said serial bonds shall extend over a period ending nine (9) years from and after the second day of January next succeeding the date of said bonds, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after their date until all is paid and the interest shall be payable semiannually by coupon on the second day of January and July respectively, of each year, at the rate of 8 1/2 (6) per cent per annum, on all sums unpaid, until the whole of said principal sum and interest are paid.

SECTION 5.

The serial bonds herein mentioned shall be issued in accordance with the provisions of Title VII, Chapter XIII, Revised Statutes of Arizona, 1913, Civil Code, and amendments thereto, and all the proceedings in the aforementioned improvements shall also be taken under Title VII, Chapter XIII, Revised Statutes of Arizona 1913 Civil Code and amendments thereto.

SECTION 6.

The City Clerk shall certify to the passage of this Resolution of intention and shall cause the same to be

published ten (10) times in the Arizona Republican, a daily newspaper published and circulated in the City of Phoenix and hereby designated for that purpose.

SECTION 7.

The Superintendent of Streets of the City of Phoenix shall post notice of said proposed improvement as required by law, and in said notices shall refer to this Resolution of intention.

Approved May 9th 1916.

PETER CORPSTEIN, Mayor.

I hereby certify that the above and foregoing Resolution No. 178, was duly passed by the Commission of the City of Phoenix at a meeting held May 9, 1916, and that a quorum was present thereat.

FRANK THOMAS, City Clerk.

Visit from Phoenix

E. A. Marshall, one of the Phoenix business men, transacted business in Tempe yesterday.

TELLING OF BASEBALL

A large red lettered banner is displayed across Main street in Tempe and explicitly tells Tempeans that there will be some baseball in this town next Sunday afternoon. It is the first time this season that home fans who remain home fans will have had a chance to see a game with Good Ole Leachey Oriole working against the heavy hitting Outlaws of Phoenix. There is no doubting that some classy baseball will be on tap. Work of remodeling the diamond and grandstand of the Bear's park at Ash avenue and Second street was put under way yesterday and everything will be in shape by tomorrow night.

MARRIED IN PHOENIX

George Lauretsam and Miss Katherine Peterson were married yesterday afternoon in Phoenix. The groom is engaged in dairying on the Goodrich ranch southwest of Tempe and the young couple will go to house-keeping there at once.

THRASHING OUTFIT

Elling Olsen day before yesterday received a Rumblee thrashing machine outfit and intends to put it into active service in the grain fields.

BASEBALL "TS"

Eleven of Tempe high school's baseball stars were awarded their letters yesterday at the close of school. In the list are Odell, Nevitt, Hudlow, Stewart, Hegi, Mullen, Sandoz, Bush, Pafford and Winkelman. Several of the track boys also had letters coming.

Tempe News Notes

GRADUATION DAY AT THE TEMPE SCHOOLS

Conclusive to the close of the two schools yesterday, the senior play last evening and the Eighth grade graduation exercises this morning, the Tempe high school commencement exercises will take place this evening at 8 o'clock in the auditorium. A short program has been arranged and Robert S. Fisher, of Phoenix, will deliver the address to the graduates.

The last detail of the closing of school at the Eighth and Ninth street schools and the high school were carried out yesterday and the day proved one of the busiest for the pupils and especially the faculty members, of the year.

This morning at 10 o'clock the thirty-nine graduates of the Eighth grade will receive their diplomas and appropriate exercises will be conducted in the high school auditorium. Principal E. A. Row will address the young graduates.

An almost packed house greeted the cast in "A Pair of Spectacles" at the Goodwin opera house last evening and everyone was heartily pleased with the production. The seniors did themselves proud, to say the least.

At the commencement exercises of the high school this evening the following program will be given:

Serenade—High School Chorus.
Address—Robert S. Fisher.
The Dance—Molly-Wilkins. Girls' Club.

Presentation of Peterson Prizes—Principal E. A. Row.

Presentation of Diplomas—Superintendent J. O. Mullen.

The role of graduates includes: Warren A. Austin, Zella A. Austin, Lesly B. Blanchard, Julius R. Bush, Fern Lela Gilliland, J. William Holland, C. Thaddeus Mullen, Vyvyan B. Mozer, Hazel P. Owen, James M. Painter, Clyde E. Sandoz, Adah Lee Turner, F. Davis Turner.

HOBART BOSWORTH

Two of the best picture programs ever shown at the opera house will be seen Saturday with Sarah Bernhardt in "Jean Dore" and tonight with Hobart Bosworth in "The Target."

"The Target" is said to be one of the best features Bosworth has appeared in. It shows the love and faith of a mother when all else has failed one. The Mary Page serial is growing more interesting each week and will be seen tonight. A scene taken of the water running over the Roosevelt dam at its highest period will also be shown. A 42-piece dinner set will be given away tonight to the one holding the right coupon.

AN OWNERLESS BIKE

Marshall Browning still has a National bicycle on his hands that was picked up recently on the streets and that is so far without an owner. The wheel has a new set of non-skid tires, has high handle bars and a big spring seat.

"ARMSTRONG'S WIFE"

Another feature picture showing Edna Goodrich in "Armstrong's Wife" will be presented at the two shows at the Tempean tonight. "Armstrong's Wife" provides Miss Goodrich with those opportunities for her dramatic talent which has given her fame here and abroad. She appears as a young woman for whose affections two men are seeking. Disappointed, unhappy and discouraged after a few months with one of them, who she discovered was married, May, as portrayed by Miss Goodrich, consents to love herself in the Canadian wilds with her other suitor. This man offers his name only to her. Subsequently, at a meeting of the three principals in this strange case, wrong is righted.
